KEYNOTE PRESENTATION

Joy in the Heart of Leadership

Dr. Jax ML Black, Consultant & Co-Owner, The Big Joy Theory

This keynote presentation is an invitation for all leaders to center their breath and lead from the wisdom of their own hearts, rooted in joy. Dr. Jax ML Black will guide us through new ways of thinking that will allow each of us to break through and orient our leadership around joy, instead of waiting for joy to come to us.

SECOND SESSION

Leading With Joy in a V.U.C.A. World

Dr. Jax ML Black, Consultant & Co-Owner, The Big Joy Theory

Building on the keynote presentation, this talk delves deeper into the real-world and practical applications of joy as a model of leadership in a world so often filled with V.U.C.A. (Volatility, Uncertainty, Complexity, Ambiguity).
